

## Maintenance Superintendent

**New Gold Inc. (NGD:TSX/AMEX) [www.newgold.com](http://www.newgold.com)** is developing one of Canada's emerging large-scale underground block-cave mining operations located 10 km west of Kamloops, BC and we want you to come work for us!

Our employees create a dynamic team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

We are seeking applications for Maintenance Superintendent to oversee the maintenance and servicing of underground structures, light/heavy fixed and mobile equipment and electricity distributions and electrical installation on all buildings, site facilities and equipment at the New Afton Mine.

The incumbent will also be responsible for ensuring our surface and underground maintenance team activities meet the company's guidelines and objectives in the areas of safety, environment, production, training, and budget/cost control. This position will provide leadership for building a strong team environment and supporting the growth and development of the team while providing direction and guidance for the continuous improvement of our maintenance activities.

We are looking for applicants with 10+ years of relevant maintenance experience in progressively more responsible positions. Qualified candidates have completed a post-secondary degree in Engineering or a related field, a Trade Qualification or an equivalent combination of education and experience. Previous Maintenance Management experience in a start-up mining operation is considered an asset.

Preference will be given to applicants that have strong MS Office computer skills, completed First Aid/Mine Rescue Training and BC Shift Boss Ticket/Supervisory Training. Demonstrated leadership experience and excellent communication skills as well as a proven track record for safety performance combined with the ability to complete tasks on time and budget is essential in this role.

Kamloops is a city of 90,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2010-025 – Maintenance Superintendent** in your application to:
